Description:
This database is a compiled index to millions of Americans who have been profiled in collective biography volumes such as Who's Who in America, Women of Science, Who's Who of American Women, National Cyclopedia to American Biography, Directory of American Scholars, and American Black Writers. It includes information first published in the nineteenth and early twentieth centuries. In addition to providing the individual's name, birth, and death dates (where available), the reference to the source document is included.
